

TECHNICAL RIDER

STAGE

The ORGANIZER shall provide 2 towels and 4 personal bottles of water on stage.

LINE CHECK

The BAND requires a 20 to 30 min line check as well as a visual check. Stage set-up pursuant to the below indications shall be ready before the arrival of the BAND.

If necessary, the BAND can perform, a silent line-check during the event. In this case, the visual check (including color check) will be under the responsibility of the ORGANIZER.
