### **Technical rider**

- High Quality Sufficient PA System with Sub Bass Speakers (the more the better)

### **On the stage we need:**

- Two Stage PA monitor speakers
- Table for my equipment, approximately 2 m x 1,5 m
- Euro electrical plug for 8 or more adapters
- 8 or more mono channel mixing desk with the faders and 3-band EQ, e.g. Soundcraft mixers

### **Video projection / Visuals:**

- We have visuals that we will bring on USB flash drive or will send the download link before the concert.
